

Prevent and Relieve Headache

"It gives me great pleasure to be able to refer to Dr. Miles' Anti-Pain Pills as the best remedy we have yet had in our house for the prevention and cure of headache. My wife who has been a constant sufferer for a number of years with above complaint joins me in the hope that they may fall into the hands of all sufferers."

JOHN BUSH,
Waterville, Me.

Used Them Four Years.

"Dr. Miles' Anti-Pain Pills are the best I ever tried for the relief of headache. I have used them for nearly four years and they never fail to give me relief. I have tried many other remedies, but have never found any better."

JOSEPH FRANKOWICK,
854 Trombley Av., Detroit, Mich.

There is no remedy that will more quickly relieve any form of headache than

Dr. Miles' Anti-Pain Pills.

The best feature of this remarkable remedy is the fact that it does not derange the stomach or leave any disagreeable after-effects.

Druggists everywhere sell them. If first package fails to benefit, your druggist will return your money.
